LEAD RETRIEVAL ORDER FORM

National Bridal Show (NBS) has selected iScannedIN as the registration and lead retrieval partner for the event. iScannedIN offers a Mobile App which allows exhibitors to scan attendee name badges and automatically _exchange_ contact information with them. Our App enhances networking opportunities by eliminating wasteful and tedious data collection. Exhibitors simply download our Android or IOS app, and begin scanning attendee badges!

Other Key benefits: Cost effective & Feature Rich, Customizable Data Collection, Secure Cloud Based Storage, Instant Access to Data and Reverse Sale Leads.
